AVAILABILITY LIST

Below you will find our 'General' stock availability most suitable for potting on or planting out. Please refer to our seasonal 'Looking Good' List for retail ready stock. Our 2021-2023 catalogue is aimed to be used as a reference brochure for plant information, please refer solely to our regularly updated stock lists when ordering.

Due to a change of tray size, there is a **minimum plant quantity of x12 plants per variety** for 9cm stock (no minimum quantity for 2 Litre and 5 Litre). Quantities of less than x12 plants per variety could be ordered but will be subject to an additional surcharge of £0.45 per plant. All prices listed are subject to VAT and a carriage charge. Individual labels are available upon request at an extra charge.

By placing an order with us you are agreeing to our 'Terms of Business' which could be found in our 2021-2023 catalogue or on our website.
